

Portrait Session Fees

Family, Children & Individuals \$200

- Up to 1-Hour
- 1-2 locations
- Includes the "Extended Family Package" (see page 3 for print packages)

Get the Files! Full Resolution Digital Files from Your Session on CD/DVD \$500*

- All images in your gallery are included.
- Images are adjusted for color and contrast.
- Images are NOT individually retouched, but a skin-smoothing process is applied to each image as needed.
- Printing/usage rights for PERSONAL USE included.
- Because photo labs use different equipment and color profiles and the quality of labs varies greatly, we do not guarantee the quality of prints made by labs other than our chosen lab.

The Fine Print

- Prints and products are subject to sales tax. Session fees are not taxable.
- The session fee is due at booking to reserve your time slot.
- Costs of prints must be paid in full before they will be processed, printed and delivered.
- We accept cash, checks, and major credit cards via PayPal (MasterCard, Visa, Discover, American Express). A PayPal account is NOT required.

Professional Prints

All your prints are professionally retouched, edited, and corrected before they are printed by our professional photo lab on Kodak's Endura professional photo paper. The quality of preparation and printing ensures a lifelong enjoyment of your keepsake photographs.

Additional prints of the same size and image are 50% off when ordered at the same time (up to 11x14 in size, wallets excluded).

PhotoBooks

Photo books are individually designed for you, no templates here! Books have at least 20 pages and come with linen or leather covers!

All of our books are hardcover bound using the highest-quality binding construction. Pages are printed in full-color on acid-free archival-quality paper. Standard book prices include up to the first 20 printed sides.

We can enhance your book with text on images, senior quotes, black & white and sepia coloring, and other effects.

- Start with 20 different pictures to include in your book and then add more if you want.
- Price includes the first 10 pages (20 printed sides).
- Our custom-designed books entail 15+ hours of image preparation and design.
- Additional pages and images can be added (see prices below).

Additional copies of the same book are 50% off.

Classic PhotoBook

\$500
12"x9"

10 Pages

(20 printed sides)

Choose up to 20 different images

Enhance Your PhotoBook

Add \$10 for each additional image

Add \$30 for each additional page

(a page is 2 sides, includes up to 2 additional images per page)

Finally, a better way to print your favorite digital photos and display them in an amazing PhotoBook so that you can share them with friends. Why just print your photos when you can publish them in your own book?

Cover Materials

Various cover materials and options are available.
